

The 2nd Round Smart PV Training Enablement and Competition 2024

Huawei Digital Power South Africa

27th – 28th June, 2024 | Online

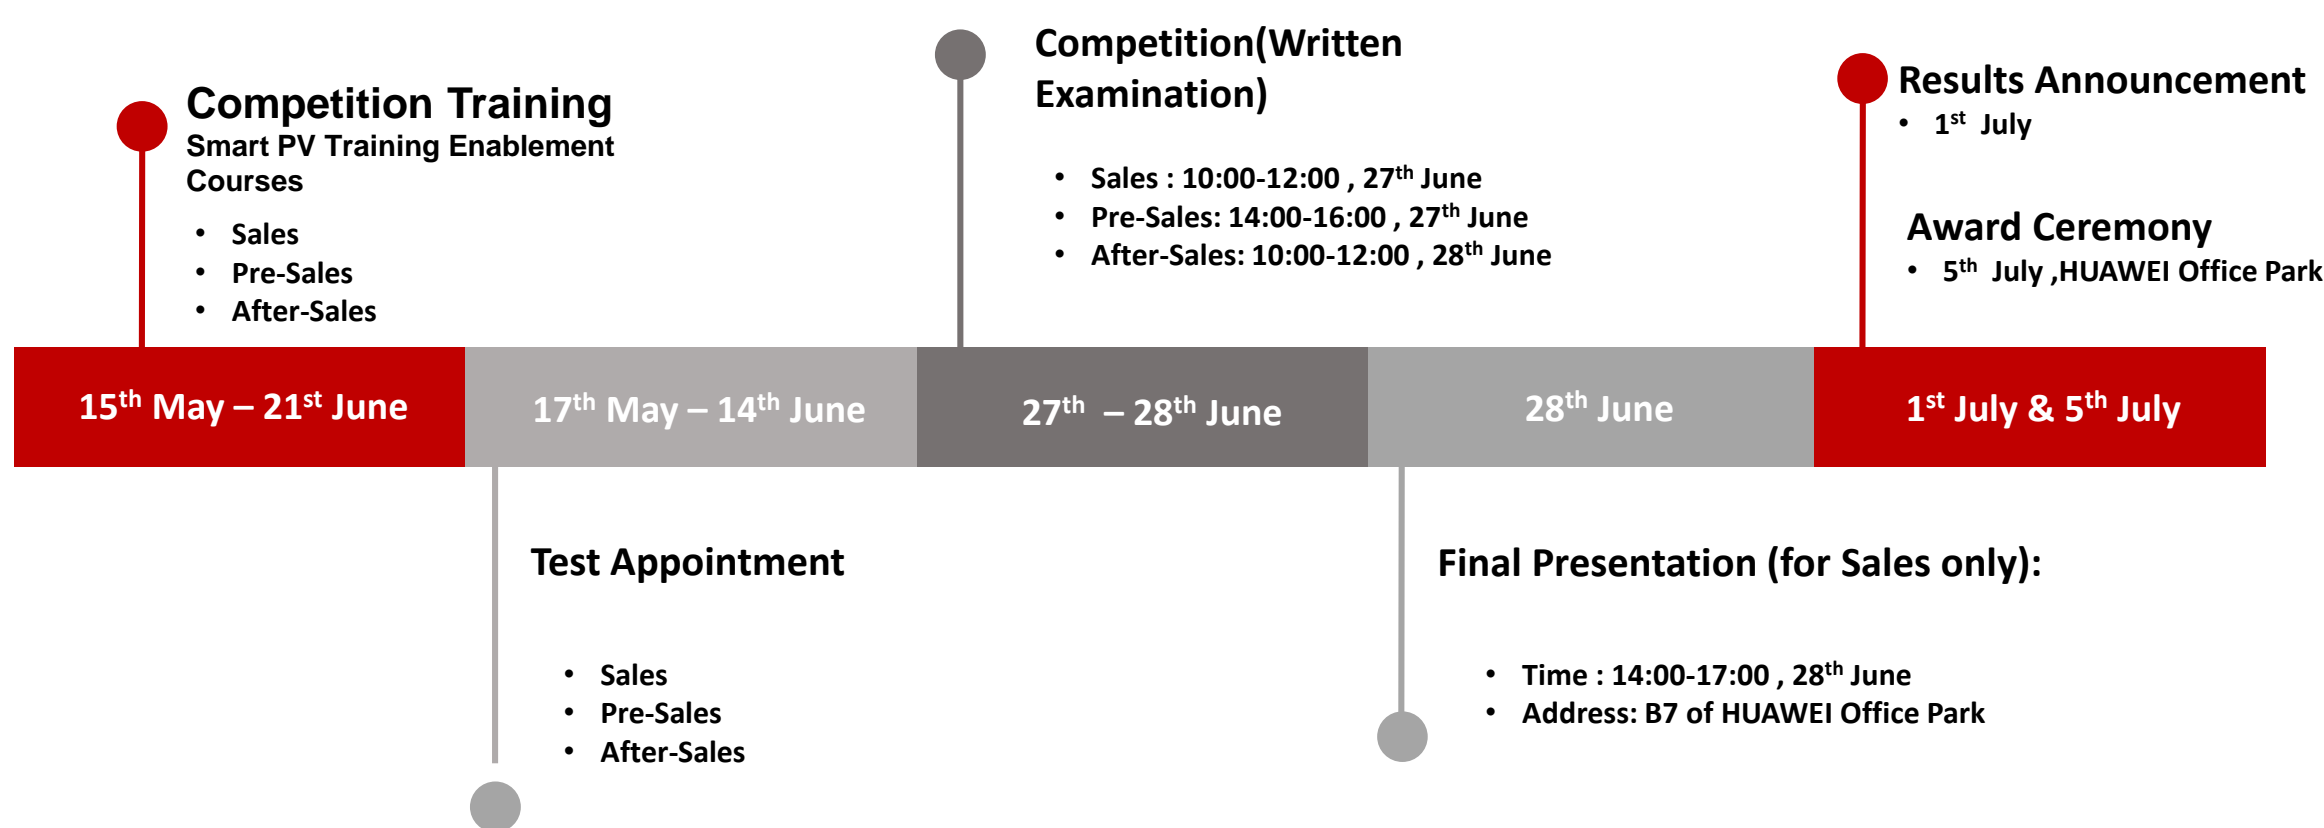

Dear Huawei Partner

We're thrilled to invite you to participate in the **2nd round of the Huawei Digital Power South Africa Smart PV Training Enablement and Competition 2024!**

This exciting event is designed specifically for our valued Huawei Digital Power partners in South Africa. It's your chance to:

- **Deepen your knowledge** of Huawei's digital power product and solutions.
- **Sharpen your professional skills** and become a Huawei expert.
- **Gain a competitive edge** to expand your market reach and propel your career forward.

Event Timeline 15th May – 28th June 2024

Important Note: The rules for the second round have been updated. To ensure a smooth experience and maximize your chances of winning, please take some time to carefully review the updated competition guidelines.

1. The passing score of Sales written examination must achieve 600 points and above. Those who get 750 points and above in the Sales written examination are eligible to enter the final presentation and compete for the Top 3 prize. The final score of sales is 50% of the written examination score and 50% of the presentation score;
2. The passing score of the Pre-Sales and After-Sales written examination must achieve 600 points and above; Those who get 750 points and above in the Pre-Sales and After-Sales written examination are eligible to win the Top 3 prize.
